#3 Add Goodness

2 Peter 1:5-7

1. GOODNESS

- Goodness is essence of God's nature
- God is good.
- God is always good.
- God can never be not good.
- It's how God behaves at all times and in every situation.

Psalms 119:68 Psalm 145:9

The goodness of God is defined as moral excellence:

to do what is right without ulterior motive.

2. JESUS

John 3:16-17 Matthew 19:16-22

- The young man had defined himself by externals.
- God defines us by internals.
- Everything comes down to motive.

3. YOU DON'T NEED TO BE PERFECT TO BE GOOD.

Psalms 51:1-2 Psalm 51:11-12 Acts 13:22 1 Samuel 16:7

Desire determines character, not perfection.

4. GOODNESS IS HOW YOU OVERCOME EVIL.

Romans 12:21

"Invest in character and it will see you through good times and bad.

Invest in ego, and it is like building a house on quicksand" Matthew Kelly
