Vision in Action

To establish, equip, and support communities of faith in Northern Ontario.

Northern Ontario is larger than the state of Texas & home to almost 750,000 people of all nations. God is giving wonderful vision to start to reach out further with the gospel in this region. We will focus in on key towns/cities/districts to make connections, we will contact places where Christians gather on a regular basis (churches and camps), and we will encourage those with a passion for campus ministries. Continuous ministry will happen from our mission outpost at All Nations Church in Sudbury, Ontario.

Local Mission Trips

We hope to host our 3rd set of summer interns in June & July. They will have opportunities to participate in local work projects and church plants, and evangelism at summer camps for children in Northern Ontario.

All Nations Church will take a team of people to direct a week of overnight ministry at Camp Norland in Verner, Ontario. The team will also help with work projects around the camp.

Josh will also take companions to visit new contacts.

Josh and Anna are Ontario natives. Josh has been in ministry for 20+ years, and currently works at All Nations Church in Sudbury. Anna has worked alongside Josh since their marriage in 1999. Their experience and education, coupled with their passions and gifting, have led them to prayerfully seek God's vision for reaching the north. They are blessed to be the parents of two sons, Josiah (13) & Elijah (9) who are just... amazing.

Church Plant Updates

Summit meets on the campus of Laurentian University in Sudbury. Monday nights during the school year we meet for dinner and a teaching video/discussion or a service project. Our hope is to reach out to those who are exploring issues of faith.

Slingshot meets at a non-profit housing development in Sudbury. This is a place where people can experience God's love as they face some of the giants in their lives. They meet on Tuesday nights & enjoy worship, true life stories, Bible studies and great fellowship. Slingshot saw 8 people baptized within 4 months, and turned 1 in February 2015.

Please Continue to Pray:

- * For the individuals and families involved in this vision—focus, clarity, unity, patience, discernment, energy, strength, and wisdom
- * For God's perfect will to be clear as we move forward with the vision
- * For a strong team to emerge
- * For creativity for those doing church in non-traditional ways
- * For open communication with Churches, Camps, and Campuses
- * For All Nations Church as we transition into our new ministry outpost
