*Northern Ontario highlighted in red... this region is larger than the state of Texas & home to almost 750,000 people of all nations.*

## The Vision

**To establish, equip, and support communities of faith in Northern Ontario.**

All Nations Church is partnering with CNBC (*Canadian National Baptist Convention*) to provide training and resources to those who want to be involved.

We have been praying and seeking God's direction for this outreach to Northern Ontario for over a year, and we have experienced His blessings in many ways as we continue to discern His will and keep moving forward.

We are always following new leads and making new connections and we look forward to seeing where God will take this vision in years to come.

*Josh, Anna, Josiah & Elijah Sklar*

Josh and Anna were both born and raised in Ontario. Josh has worked at two churches in the Toronto area, and currently works at All Nations Church in Sudbury, Northern Ontario. Anna has worked alongside Josh since their marriage in 1999. Their experience and education, coupled with their passions and gifting, has led them to prayerfully seek God's vision for reaching the north.

They are blessed to be the parents of two sons, Josiah (13) & Elijah (9) who fill their lives with endless fun and adventure.

## 2 Churches Planted

*Summit* is a church for young adults & students on the campus of Laurentian University in Sudbury. Monday nights we meet for dinner and a teaching video/discussion or a service project. Our hope is to reach those who are exploring issues of faith and may not know much about Christ.

*Slingshot* meets at a non-profit housing development in Sudbury. This group provides a place where people who are facing giants in their life can find love, acceptance, help, hope, guidance, encouragement, and forgiveness. They meet on Tuesday nights and enjoy worship, true life stories, Bible studies and great fellowship.

## Local Mission Trips

During the past 2 summers we have enjoyed hosting student interns for evangelism work at local camps and churches. In October, All Nations Church sent a team of 12 to work with a church plant in Swastika, Northern Ontario. They were preparing for their Grand Opening, and we helped to clear out their old building and renovate a school to become their new worship/community centre.
